Parent Code of Conduct

Upon presentation of identification, parents/legal guardians have the right to enter and visit the facility which their child(ren) is/are receiving care.

The law authorizes the person in charge of the after-school program to deny access to the parent/legal guardian under the following circumstances:

- The parent/legal guardian is behaving in a way that poses a risk to the children and/or staff in the facility.
- The adult is a non-custodial parent and the facility has been requested in writing by the court system to not permit access to the non-custodial parent.

Under no circumstances should a parent/legal guardian approach another child other than their own.

While in the facility parents are always expected to act appropriately by speaking in an appropriate tone and using appropriate language.

Any parent who does not behave in this manner will be asked to leave the facility. Any inappropriate behavior by a parent, including verbal abuse of a child or staff member, or confrontation with a center staff member will not be tolerated.

Parent Grievance Procedure

If you have a grievance regarding the After-School Program, immediately set up an appropriate time to discuss the issues or concerns with the program director. We want to address any questions or concerns you or your child might have regarding the program. Please encourage your child to speak directly to any staff member in the program about issues they are uncomfortable with, so that we can address them in a timely manner.

By signing this paper, you fully understand the rules for this program and understand that if your child or children do not adhere to these rules they may be suspended or dismissed from our program.
