# **Pitt County Community Schools and Recreation**

## ***“Reaching Out to Serve and Connect the Community”***

Pitt County was one of the first counties to establish a Community Schools Program in 1978. In recognition of the strong role played by the Community Schools Program in providing countywide recreational services, the County Commissioners voted to officially add Recreation to the title in 1998. The Pitt County Community Schools and Recreation Department is funded jointly by the Pitt County Board of Commissioners and Pitt County Schools. Goals of the Department include:

- Maximizing utilization of the school system’s resources
- Increasing public awareness of the Community Schools & Recreation Department
- Enhancing the quality and quantity of recreational and educational programs held in public school facilities
- Developing recreation facilities on school properties through strong partnerships with schools, community organizations, and volunteers
- Continuing to improve the depth and quality of the overall Volunteer Program
- Working cooperatively with other agencies and organizations in identifying community needs and planning programs and activities to meet those needs.

### **Use of Facilities**

Use of the Community Schools and Recreation Center and Pitt County Schools’ facilities is coordinated by the Community Schools & Recreation Department. Utilization of the facilities is regulated by the Pitt County Board of Education. The Recreation Center is available during weekdays and weekends. School facilities are available during non-school hours. The facilities are used for many functions such as: reunions, plays, adult classes, workshops, public meetings and related events.

Applications are available at the Community Schools & Recreation Center Monday– Friday from 8:00am–5:00 pm and in the main office at all schools.

### **Volunteer Programs**

The Community Schools & Recreation Department supports the School Volunteer Program and coordinates youth program volunteers. Volunteers tutor, help in the media centers, work in the office, assist teachers, work with PTAs, help with playground equipment, coach teams and much more. If you are interested in volunteering with your school, please contact your school.

### **Recreation Program Management Funds**

The Pitt County Board of County Commissioners has allocated funds to support agencies and organizations coordinating recreation activities throughout Pitt County. These funds are distributed on an annual basis by the Community Schools and Recreation Advisory Council. Recreation Program Management funds are designated to support and enhance the delivery of quality recreation programs that are open to all citizens in Pitt County. Funds are made available on a 50/50 matching basis ... fifty percent comes from the county with the agency or organization providing the other fifty percent.

### **Interagency Networking**

The Community Schools and Recreation Staff works cooperatively with other agencies and organizations to determine needs and develop avenues for meeting those needs. Assistance ranges from providing supervision and utilities for facilities to assistance in program planning. Major agencies include: Pitt Community College, Cooperative Extension Service, Boy Scouts, Girl Scouts, ECU Health Medical Center, Senior Services, Council on Aging, recreation departments and community organizations. Major programs include events such as Falls Prevention Fair, Senior Fun and Fitness Day, and health fairs. Community Schools and Recreation Staff serve on many community organization boards including the Special Olympics Steering Committee, Pitt Aging Coalition, and Pitt Partners for Health, etc.

### **Recreation Programs**

The Community Schools & Recreation Team works cooperatively with recreation departments and commissions throughout the county to support recreation and special activities for children and adults. In communities where no recreation organization exists, the department works with schools and volunteers to provide the service.

### **Senior Adult Programs**

Determine to Live Healthy, Fit Beyond Fifty, Gentle Yoga, Pilates, Aerobic Line Dance, Soft Foam Roller, Functional Stretching, Senior Games, Softball, Three-on-Three Basketball, Table Tennis and other physical fitness opportunities.

### **School Staff Wellness**

To support/provide high-quality nutrition, physical activity, tobacco cessation, stress management and breast feeding programs that improve the physical, mental, emotional and occupational well-being of all members of the Pitt County Schools Family.

### **Youth Recreation**

Recreation programs are held year-round throughout the county. Programs include: soccer, flag football, volleyball, basketball, kickball, cheerleading camp, sports camps, art camps & cooking camps.

# Alice F. Keene District Park

Alice F. Keene District Park is a valuable asset to the citizens of Pitt County. Since its development over a decade ago, the Park and Community Schools and Recreation Center have provided a wide variety of indoor and outdoor recreational opportunities to thousands of Pitt County residents.

In addition to the Community Schools & Recreation Center the Park offers soccer fields, two softball fields, two picnic shelters, two playgrounds, pickleball courts, half-court basketball, horseshoe courts and a 1.2 mile paved trail, which is a Kids in Park TRACK Trail. A second 1-mile natural trail provides a more rugged walking experience. This outstanding facility improves the quality of life in Pitt County and provides opportunities for healthier lifestyles.

The Simpson Saints Baseball program is based in Simpson, but includes kids from the surrounding areas as well. This team was designed to teach children ages 4 to 12 years of age the basics of Little League Baseball. Being a part of this team will give your child the opportunity to develop positive life skills in addition to learning to play baseball. We help teach the kids how to succeed so they can celebrate all their victories in life.

☺ Active Outdoor Games ☺ Group Games ☺ Inside Games ☺ Movies

*“I want to acknowledge Ms. Becky Wilder, Ms. Stanley, Ms. Bridget and other staff members that work there because they do such an amazing job with our children every day! I must say, how impressed I am with how the program is being managed and how organized it is. I feel safe dropping my child off and she absolutely loves going!!!” ~Parent of the program*

## **NORTH CAROLINA IS THE GREAT TRAILS STATE**

In North Carolina, there is a trail for each of us. An open invitation for bikers, hikers, paddlers, and riders. For amblers, explorers, and commuters. These paths are a place of refuge and recreation, connecting us to the very essence of this state.

To its storied, winding history. And—with our active use and care—to its future. Because we blaze and sustain trails together: those born and bred here, and those beckoned by its promise as the Great Trail State. Along these trails, we lead and we follow. We march on our own and we build community. We find new purpose, generation after generation. Because North Carolina's trails are for all of us. To enjoy, to sustain, and to champion. This is our year. The Year of the Trail.

## **WE NEED TRAILS. TO MOVE, TO PLAY, TO DISCOVER**

Pitt County Government is proud to have joined other Cities, Towns and Counties across the State as a Partner with the Great Trails State Coalition for the Year of the Trail, and work far beyond 2023 to continue to garner support and funding for trails and greenways across the State.
